ADOPT A RIVER: MAY 9, 2015

The Lansing Board of Water and Light and Impression 5 Science Center have teamed up to clean, educate, and beautify our community through Adopt a River. The GLRC will be teaching Adopt a River participants about watersheds and how polluted runoff reaches our rivers and lakes. Visit us at the Environmental Fair from 10 a.m. – 2 p.m. inside Impression 5 Science Center.

MAKING PROGRESS: STORMWATER DISCHARGE PERMITS ISSUED FOR THE CITY OF EAST LANSING AND MICHIGAN STATE UNIVERSITY

All GLRC members have been working hard to put the final touches on their stormwater permit applications, originally submitted to the Michigan Department of Environmental Quality (MDEQ) in early 2013. The first two of sixteen total applications were issued on April 15, 2015. The City of East Lansing and Michigan State University stormwater discharge permits will become effective June 1, 2015. The GLRC looks forward to continued implementation activities and working hard to reduce pollution through stormwater management.

For more information you can visit the MDEQ website or mywatersheds.org.

BE SURE TO CHECK OUT THE GLRC ON FACEBOOK AND TWITTER!

NEW DESIGN, NEW LOOK.... COMING SOON A NEW MYWATERSHEDS.ORG

In just a few weeks the GLRC will be launching a new, redesigned website. The new site is streamlined for easy navigation for the public and community staff, and leaders learning more about stormwater management. Find us on Facebook or Twitter where we will officially announce the new site launch.
