

Mailbox Policy

(Adopted February 1, 1999)

BE IT RESOLVED that upon receiving a complaint from a resident regarding mailbox damage as a result of snow removal, the City will install, at its expense and using Public Service Department labor, a standard metal mailbox (with street numbers) to replace the mailbox that was damaged. In the event that a new mailbox post is also required, a 4"x4" type mailbox post will be installed at City's expense.

BE IT FURTHER RESOLVED that in the event that the resident wants to replace the mailbox on their own, the City will reimburse the resident up to \$40 of the cost of replacing the mailbox on their own upon providing a copy of the bill to the City of DeWitt.
